

Commercial Roofing Foreman

Interior Roofing – a well-established, growing, and reputable commercial roofing and sheet metal Company serving BC since 1976 – is seeking an experienced Commercial Roofing Foreman to join our dynamic team in Penticton, BC.

Our rapid growth has created the demand for a proven leader who can step in and immediately hit the ground running. We provide an exciting, fast-paced work environment with competitive compensation, performance incentives, and excellent benefits.

Compensation & Benefits

Hourly Rate: \$38-42/hour (based on experience and attitude)
Performance Incentives
Full Benefits Package
Company Truck
Opportunity for advancement and continued growth

Essential Qualifications

5 years minimum of experience with a commercial/residential roofing company
Basic computer knowledge
Experience running crews while performing construction tasks to meet schedule and budget requirements
Demonstrated ability to effectively manage subcontractors, vendors, and employees
Knowledge of budgets, change orders, and job estimating
Commercial roofing experience with 2-ply and single-ply membranes, as well as metal roofing systems
Must be able to obtain security clearance and bonding
Valid driver's license
Red Seal Trades Certification preferred

Essential Responsibilities

Manage daily workflow of assigned project(s) to finish on schedule within budgeted labor hours
Manage all projects to meet the high-quality standards required by Interior Roofing
Closely coordinate production and material control function activities
Effectively manage work crews and liaise with Project Manager and Superintendent
Maintain excellent relationships with contractors and inspectors
Ensure that strict safety standards are followed at all times
Report directly to Project Manager and Superintendent

About Interior Roofing

Interior Roofing has been proudly serving the Okanagan and beyond since 1976. We are Core Certified with over 40 years of safe operations, specializing in commercial and residential roofing projects across BC. Our team of Red Seal certified professionals is committed to excellence, safety, and quality craftsmanship.

Interior Roofing is an equal opportunity employer with a drug-free workplace. We hire only the best and provide opportunities to be an integral part of our continued growth.
